

**COUNTY OF LOS ANGELES – DEPARTMENT OF MENTAL HEALTH  
COUNTYWIDE RESOURCE MANAGEMENT**

***-TRANSFER OPPORTUNITY-***

***MENTAL HEALTH CLINICAL SUPERVISOR***

Countywide Resource Management (CRM) is recruiting a Mental Health Clinical Supervisor (MHCS) to provide program supervision for a new program, the CRM-Community Reintegration Program (CRP). This position is located at the 1925 Daly Street, 2nd floor Los Angeles, CA 90031 (between SA 3 and SA 4) and requires a work schedule of Monday to Friday 8:00 am – 4:30 pm.

The passage of Assembly Bill (AB) 109 - Public Safety Realignment Legislation, resulted in a significant number of prison inmates no longer being released to traditional State Parole. Effective October 1, 2011 upon completion of their prison term certain offenders of non-violent, non-serious crimes were released to Post-Release Community Supervision (PRCS). It was estimated that approximately 30% of these inmates will be mentally ill. CRM-CRP was established to provide mental health screening/triage and linkage to community-based mental health treatment for these individuals.

This MHCS position will assist in providing clinical and administrative supervision for the DMH clinicians at the four co-located Probation HUBS performing the above services. The primary duties and responsibilities of this position include:

- Assisting in the implementation of the Community Reintegration Program, including hiring staff, developing policies and procedures, developing outcome measures to demonstrate program effectiveness, developing relationships with other agencies.
- Coordinating activities to provide mental health screening/triage and linkage to community-based mental health treatment for inmates with mental health needs who are being released from prison.
- Supervising clinicians: providing clinical supervision, assigning work, scheduling and monitoring workloads and the appropriate and timely completion of assignments, evaluating performance, and working with other DMH divisions, community agencies and families to ensure linkage of clients to appropriate mental health resources.
- In collaboration with the CRM District Chief and Program Head, identifying and removing system barriers to the successful reintegration of inmates into the community.

**DESIRABLE QUALIFICATIONS:**

- Experience in providing services to individuals with forensic or criminal justice histories and knowledge of various DMH resources for different level of cares in CRM's system of care.
- Excellent clinical, assessment and communication skills
- Skill in prioritizing work and multi-tasking under pressure.
- Experience with discharge planning in psychiatric hospital setting(s).
- Ability to be creative, problem solve, delegate and motivate.
- Adaptable and flexible.
- Willingness to travel countywide to provide field-based supervision to staff.

Interested individuals must currently hold the payroll title of Mental Health Clinical Supervisor. Please FAX a résumé, last two (2) Performance Evaluations, and last two (2) years of master time records by **February 21, 2014** to:
